Financial Policy

Please read this Financial Policy carefully. By signing below, you acknowledge that you have reviewed and agree to the terms outlined here. This policy is part of your overall agreement with Hambrick Psychotherapy LLC.

Session Fees

Initial 90-minute Intake Session: \$250

90-minute Session: \$240

50-minute Session: \$160

Payment

Payment is due at the time of service. Hambrick Psychotherapy LLC accepts credit cards, debit cards, HSA/FSA cards, and cash. A valid credit or debit card must be kept on file at all times. By providing your card information, you authorize Hambrick Psychotherapy LLC to charge your card for session fees, missed session fees, and any other fees described in this policy.

Insurance

Hambrick Psychotherapy LLC is a private-pay practice and does not bill insurance directly. Upon request, a superbill (detailed receipt) will be provided that you may submit to your insurance company for possible out-of-network reimbursement. Hambrick Psychotherapy LLC makes no guarantee of reimbursement. It is your responsibility to understand your out-of-network benefits.

Sliding Scale

A limited number of reduced-fee slots are available for clients who demonstrate financial need. Sliding scale fees are based on household income and family size, using the Federal Poverty Level (FPL) as a guide. The following is a general framework — final fees are determined collaboratively and at the therapist's discretion based on available slots:

- Below 200% FPL: ~\$80 per 50-min session
- 200–300% FPL: ~\$100 per 50-min session

- 300–400% FPL: ~\$120 per 50-min session
- 400–500% FPL: ~\$140 per 50-min session
- Above 500% FPL: Standard fee applies

Sliding scale availability is not guaranteed and may change based on practice capacity. Clients receiving a reduced fee agree to review their financial situation periodically (typically every 6 months) and to notify the therapist of significant changes in income. Sliding scale arrangements do not apply to missed session fees or documentation fees.

Cancellation and No-Show Policy

Your appointment time is reserved exclusively for you. If you need to cancel or reschedule, please provide at least 24 hours' notice. Cancellations with less than 24 hours' notice and no-call/no-shows will be charged the full session fee, which will be automatically billed to the card on file. This fee is not reimbursable by insurance.

Late Payments and Unpaid Balances

All balances must be at zero to schedule or maintain scheduled appointments. If a balance remains unpaid for more than 7 calendar days, an additional \$50 fee will be assessed. Hambrick Psychotherapy LLC reserves the right to suspend services for unpaid balances and to refer accounts to a collections agency as a last resort. In that event, only the minimum information necessary — name, contact information, and amount owed — will be disclosed.

Returned Payments

A \$45 fee will be assessed for any returned or bounced payment, including NSF checks and credit card chargebacks. We do not offer refunds for any reason.

Good Faith Estimate

Under the No Surprises Act, you have the right to receive a Good Faith Estimate of expected costs before beginning services. A separate Good Faith Estimate will be provided to you prior to your first appointment. If your final bill differs from the Good Faith Estimate by more than \$400, you have the right to dispute the bill.

Agreement

By signing below, I confirm that I have read, understand, and agree to the Financial Policy of Hambrick Psychotherapy LLC. I authorize Hambrick Psychotherapy LLC to charge the payment method on file for services rendered and applicable fees as described above.
