Services and Estimated Costs

The following is a good faith estimate of the costs you may incur for psychotherapy services at Hambrick Psychotherapy LLC. Actual costs may vary depending on the length and frequency of treatment, which are determined collaboratively based on your clinical needs.

- Initial 90-minute Intake (90837): \$250 per session
- 90-minute Individual/Couples Session (90837): \$240 per session
- 50-minute Individual/Couples Session (90834): \$160 per session
- 65-minute Family Session (90847): \$160–\$240 per session

Estimated Frequency and Duration

Therapy is typically conducted once per week. The expected duration of treatment varies widely based on individual goals and clinical presentation. Below is a general estimate for planning purposes:

- Short-term (3–6 months / ~12–24 sessions): \$1,920 – \$3,840
- Moderate-term (6–12 months / ~24–48 sessions): \$3,840 – \$7,680
- Long-term (12+ months): costs will continue at the rate above

These are estimates only. You are not obligated to continue therapy for any particular length of time. You may end services at any time.

Additional Potential Costs

- Missed session / late cancellation fee: Full session fee (billed to card on file)
- Documentation, letters, or report writing: Prorated at \$140/hour
- Court appearances: \$500/hour (first hour billed automatically)
- Returned payment fee: \$45
- Late balance fee (unpaid after 7 days): \$50
